

Bulletin

Consolidated Technology Guide

This Bulletin is issued in accordance with the section of the Consolidated Technology Guide (the “**Guide**”) entitled *Notification of Changes and Updates*. The purpose of this Bulletin is to notify Licensees that a new version of the Guide has been published that supersedes and replaces the prior version of the Guide. This version of the Guide contains updates to the Software Subscription Agreement terms and conditions.

In addition to minor clerical and clean-up edits, including typo corrections, renumbering of sections, reformatting and other similar modifications, the updated Guide includes the following substantive changes:

Part B, Schedules		
Schedule Name	Section Number /Title	Description of Change
File Transfer Portal	All sections	Schedule was deleted because Licensed Application was retired.
Mortgage Insurer Applications	1.—Licensed Application	Reference to the retired application, File Transfer Portal, was removed.
	3.— File Transfer Portal	Section (and subsections) were removed due to File Transfer Portal’s retirement.
Single-Family Servicing Applications	1.—Licensed Application	Reference to the retired application, File Transfer Portal, was removed.
	PART II 20.—Limited Waiver	Section (and subsections) updated to reflect the terms and conditions under which Fannie Mae may offer a limited waiver of certain Servicing Guide requirements when Licensee uses SMDU to make a mortgage insurance termination eligibility determination.

All changes described above are effective as of the Effective Date indicated in this Bulletin, except for those pertaining to File Transfer Portal, which are effective immediately, in accordance with the Section of the General Terms and Conditions entitled “Issued Bulletins; Amendments.” All other terms and conditions of the Software Subscription Agreement shall continue in full force and effect. If there is any inconsistency between or among the provisions contained in the Guide and this Bulletin, the provisions of the Guide will govern.
